

## **Farringdon Neighbourhood Plan Steering Group Meeting**

### **MINUTES**

**Date of 30 January 2020**

**Time 2 pm**

**Location Farringdon Village Hall**

#### **Attendees**

**Laura Fricker (LF), Paul Weston (PW), Anthony Sayers (TS), Andy Frey (AF), Jonathan Watts (JRW), Jane Watts (HJW), Alana Sayers (AS)**

**Apologies for absence** Phillippa Rowe

**Minutes agreed from last meeting.**

#### **Purpose of Meeting**

To discuss the content of Policy Farr 5 of the Neighbourhood Plan following the meeting on 28 January 2020 with PW, EDDC representatives and some of the steering group and after feedback from EDDC.

PW was pleased that EDDC seemed content with the discussions at the meeting on 28 January.

Further development in Farringdon was discussed again by the steering group and various issues and concerns were raised including the need for carbon neutral development where possible. It was agreed that we will submit this document for testing at the next consultation. PW to send it to Claire Rodway for advice on whether SEA screening is needed. This will take up to 5 weeks. The EDDC opinion and the Neighbourhood Plan must go up on the website.

#### **Regulation 14 Consultation**

PW will send AS details of Reg 14. AS to distribute everything except the spreadsheet of national organizations and bodies.

It is hoped that the public consultation can take place in April/May 2020. If SEA is needed then technical help needs to be applied for.

#### **AOB**

Photos still need to be submitted to LF for the front cover.

**Date of next meeting** Date to be arranged.

Meeting closed at 2.50 pm
