Welcome to the August 2024 Flyer

Welcome to the August Flyer. August is the month for the Olympics and school holidays. Hopefully the weather will be better than that for the Olympic open ceremony. The medals are shown on the cover which evidently contain a little bit of the Eiffel Tower.

Please note details of the Farringdon Society of Arte 20th anniversary event which are on the leaflet included with the Flyer.

As well as delivering printed copies of the Flyer, I will continue to email copies to those who have requested them and the online version will continue to be published on the village facebook page and web site.. If you would like a copy or know of a neighbour in the same position please let me know, at thefarringdonflyer@gmail.com or 01395 232459

Contributions to the Flyer would be appreciated by **the 18th of the Month** please.

Coffee Morning

MONTHLY COFFEE MORNING

AUGUST GARDENING TIPS:

Look out for runners on your strawberries & pot them up to provide healthy new plants and/or to share with friends & neighbours.

Cut back hardy perennial geraniums & Alchemilla Mollis to tidy them up & possibly get another short bloom of flowers.

Trim the whippy growth on your wisteria back to about 5 buds from main stem.

Keep deadheading cosmos & dahlias to encourage more flowers. Pick them too & enjoy them indoors in a vase.

Take cuttings of hebe, choisya, ceanothus & philadelphus from this years non flowering growth.

Watch out for late blight especially on tomatoes & potatoes as this could quickly wreck your crop. Look for brown patches on stems & leaves. Remove any affected plants to prevent spreading.

The Summer Reading Challenge is here!

[The Reading Agency](#) has teamed up with [Create charity](#) this year, to unleash children's inner makers and storytellers through reading!

The Summer Reading Challenge is a free holiday activity for children aged 4 to 11 years old. It's all about reading for fun, aiming to improve children's reading skills and confidence. Children can read anything they like and collect free rewards for their reading.

This year's Challenge theme, Marvellous Makers, is all about creativity. From dance to drawing, junk modelling to music, there's something for everyone! Children will be able to find new reads linked to their favourite creative arts, and access free activities at the library.

You can join the Challenge at [your local library](#). A librarian will give you a special collector's pack and help you find books to read for your Challenge. You'll collect stickers and other rewards along the way!

Alternatively, take part in the Challenge online by [signing up here](#)! Set a reading goal and log your books on your profile. Reach your goal and unlock a limited-edition online badge and a certificate.

Places available on our Holiday Activities and Food programme

The summer holidays are here! And we've opened up places for more children and young people to attend our Holiday Activities and Food (HAF) programme, using our extended criteria.

The Government-funded scheme primarily provides activities and nutritional meals during the holidays to children aged five to 16 years olds who receive benefits-related free school meals.

But we have an extended criteria, if there are still enough places and sufficient funding, to open the programme up to include children in that age group who have special educational needs and disabilities (SEND), children in care, or young carers.

We have a range of activities planned for the holidays, and some places are still available. Simply search for a provider in your area using the interactive map on our website, see what they're offering, and book a place directly, letting them know that you are asking for an extended criteria place.

[Visit our website for more information about this summer's programme.](#)
