Welcome to the August 2025 Flyer

Welcome to the August Flyer. I am glad to say that the weather in the last few days has been a lot more bearable. We could still do with some more substantial rain, preferably at night. I can't remember cutting my lawn so little in the summer. I do however remember the summer of 1976 when everything was bone dry for weeks and we had none of today's large reservoirs.

Unfortunately, as I said last month, the time has come when we are unable to deliver hard copies of the Flyer anymore. We have been most grateful to firstly Mantracourt and then Richard Cord of KJA Architects for producing copies at no cost to the Flyer up to now. If there is anyone who would be able to take over printing them it would be much appreciated. Unfortunately the Flyer does not have any funds to pay for printing.

I will continue to email copies to those who have requested them and the online version will continue to be published on the village facebook page and web site. If anyone has no internet access and needs a printed copy please let me know on the contacts below.

As I have said before please check with your friends and neighbours as to whether they will have access as it is important for everyone in the village to be able to see the Flyer by some means.

Contributions to the Flyer would be appreciated by **the 18th of the Month** please. thefarringdonflyer@gmail.com or 01395 232459

200gm plain flour	1/2 tsp salt
1 1/2 tsp baking powder	1 1/2 tsp bicarbonate of soda
1 tsp ground ginger	1 tsp ground cinnamon
100gm unsalted butter, diced	100gm caster sugar
4 tbsp golden syrup	1 tbsp milk

1. Heat the oven to 180 degC / Gas 4. Line 2 baking trays with baking parchment.
2. Mix the flour, salt, baking powder, bicarbonate of soda and spices together in a large bowl. Add the butter and rub in with your fingertips until the mixture resembles fine breadcrumbs. Stir in the sugar.
3. Mix the golden syrup with the milk until dissolved, stir it into the mixture, then bring everything together with your hands to make a dough.
4. Break off small pieces of dough and roll them into small balls. Space them out evenly on the lined baking trays, allowing room for the biscuits to spread during cooking.
5. Bake for about 10 minutes, keeping a close eye on the biscuits as they can darken very quickly towards the end of cooking. They should be an amber colour when done.
6. Leave the biscuits to cool on the baking trays for a few minutes, then transfer to a wire rack to cool completely.

1 tbsp. Warm water	3 ozs/85gms. Self raising flour

3. Add the sugar and whip again 5 minutes or until 'trail' holds its shape.
4. Add the water and fold in the sifted flour.
5. Turn into prepared tin.
6. Bake for 7 minutes in a hot oven. Ovens may vary.
